

**The world is my
playground —
where others say
“No way!”, I say,
“LET’S PLAY!”**

I dance a tango
with my inner
gremlins and my
baggage doesn’t
weigh me down

FEAR DOESN’T STOP ME

Instead, it's the fuel that lights my path to guide others through the dark.

**I charge full throttle
at ideas that excite
me because I have
the courage and
community to see
them through**

I trust that the universe has my
back so I can take leaps of
faith. I run with it; **my intuition
is sound.** Thanks, Universe!

I’m unstoppable
when I surround myself with people
who support my wildest dreams

**WE ALL WIN
TOGETHER**

**I EXPLORE MY DEEPEST, DARKEST, AND RISKIEST DESIRES
BECAUSE I SURRENDER FROM A PLACE OF POWER**

**I am perfectly imperfect —
full of emotions, chaos,
order, passion, and logic. I
am unapologetically me**

**I live my life my
way and do what
I love every day**

Stripping away the layers of beliefs and expectations that
don’t serve me is the best gift I can give myself and others

If it doesn’t feel **ORGASMIC,
why settle for anything less?**

I create my own freedom, joy, and ease

**I AM MORE
THAN
ENOUGH**

**I AM LAID
BARE**
